

THE RISING – Synopsis (Short)

2057. More than 25 years have passed since the incident destroyed the planet's atmosphere. The survivors took refuge in shelters, buried deep into the ground. At surface level LE-E-003976 is gathering data and samples of the toxic environment. To this day he has never come across a single human soul on his predefined path through the bleak wastelands. But today LE-E is not alone.
